

ABOUT ICoBiomasse 2020

The Centre of Excellence for Biomass Utilization (COEBU), Universiti Malaysia Perlis (UniMAP) is pleased to announce that we will be hosting the 1st International Conference on Biomass Utilization and Sustainable Energy 2020 (ICoBiomasse 2020) on 15th-16th December 2020 with the theme of "Biomass Innovation for Sustainable Development". Due to the current COVID-19 pandemic, the conference will be conducted virtually. The aim is to provide a platform to professionals, researchers, academicians and industries to share and generate interest in cutting-edge applications, challenges and issues in the area of biomass utilization and sustainable energy.
